

Well Done

By Mike Berry
August 11, 2010

Capo 3

I'll lay down my crowns
At His holy feet
Lay down my crowns
And Make it all complete

Cause I've been washed in the Blood
Of the Holy One
I've been washed in the blood
Of God's only Son

Now all my sins are gone
They've been washed away
My sins are gone
And the price is paid

So, I'll serve my Lord
With no fear
I'll serve my Lord
So one day I can hear

(Chorus)

Well done
Well done
My good and faithful One
You may enter in
The place that I prepared

Here's your robe of white
Now have a seat
Join the super of the lamb
Come share this meal with me

Now get on your white horse
We're going for a ride
We're taking back control
And Satan cannot hide

So I'm picking up my cross
I'll never lay it down
Picking up my cross
To earn the victors crown

Em
I'm putting it on
Em
The armor of the Lord
Am
I'm putting it on
Em
And holding up His sword

Em
Going to share the news
Em
About the Gospel's truth
Am
Going to share the news
Em
He died for me and you

Em
So, I'll serve my Lord
Em
With no fear
Am
I'll serve my Lord
Em
So one day I can hear

(Chorus)
