

## Capo 2

## Dirt

By: Mike Berry – Dec 18, 2011

Am C  
I am dirt on the ground  
G D  
Here I lay without a sound  
Am D  
It's my sin that holds me down  
Am  
I am dirt  
Am C  
In life you took the fall  
G D  
For those who heed the call  
Am D  
Your blood paid it all  
Am  
But I am dirt

### (Chorus)

Am C  
Let your spirit fall on me  
G D  
Let the blood of Calvary  
Am D  
Turn me into what you see  
Am  
I am dirt  
Am C  
Let your sacrifice prevail  
G D  
And save me from my hell  
Am D  
It was me who drove the nails  
Am  
Cause I am dirt

Am C  
Like Adam long ago  
G D  
You breathed life in him I know  
Am D  
Take this dirt and let breath flow  
Am  
I am dirt  
Am C  
But I'm clay in your hand  
G D  
So mold and shape this man  
Am D  
You're the potter and I'm the plan  
Am  
But I am dirt

### (Chorus)

Am C  
This man is at his end  
G D  
Crying out to start again  
Am D  
Mercy for all my sin  
Am  
I am dirt  
Am C  
It's my life and I say  
G D  
It's yours to have your way  
Am D  
Turn this dirt into clay  
Am  
Cause I am dirt
