## Capo 2

Am D Am G Am D Am G

I'm a warrior  
A soldier of God  
I'm a warrior  
That's my job

I'm ready for battle  
Dressed to kill  
I read God's word  
And I do His will

The armies of Hell  
Get out of my way  
I can do all things  
In just a name

I've got my sword and my shield  
Belt of truth  
Helmet and armor  
Gospel shoes  
A soldier of faith  
A doer of do's  
A born again believer  
And that's the truth

Now all good warriors  
Have a war cry  
Before each battle  
They let it fly

The one I use  
Is above them all  
The enemy surrenders  
When they hear its call

## Jesus, Jesus

Demons tremble  
At the sound of His name  
When His tomb was empty  
And everything changed

By His blood  
I've been sanctified  
I'll praise my Lord  
Until the day I die

I'm a warrior  
A soldier of God

There's others like me  
People of faith  
Willing to die  
And don't play it safe

They live the Gospel  
They stand in the light  
You might be one  
If you like a good fight

Are you a warrior  
A soldier of God  
Are you a warrior  
Then do your job

Are you ready for battle  
Dressed to kill  
Do you read God's word  
And do His will

The armies of Hell  
Will get out of your way  
You can do all things  
In just His name

So get your sword and shield  
Belt of truth  
Helmet and armor  
And your gospel shoes

Be a soldier of faith  
A doer of do's  
A born again believer  
Make that your truth

Are you a warrior  
A soldier of God

Now all good warriors  
Have a war cry  
Before each battle  
We let it fly

The one we use  
Is above them all  
The enemy surrenders  
When they hear its call

**Jesus, Jesus**

So how do you like  
My Warrior song  
If you feel led  
You can sing along

Just open your mouth  
You can't be shy  
The enemy will run  
When he hears your war cry, **Jesus**
