Am  
Take away my flesh  
G  
Down to bare bone  
D  
It's dragging me down, Lord  
Am  
I can't do it alone

Am  
Take away my hate  
G  
Take away my pride  
D  
Fill me with you, Lord  
Am  
Until the day I die

Am  
There's a cross on the hill  
G  
It's standing there still  
D  
You hung there for me, Lord  
Am  
And your blood was spilled

Am  
It takes away my sin  
G  
And all that's within  
D  
Now all I want is you, Lord  
Am  
And to be born again

## Take away my (Chorus)

Am Am  
Other gods, idols,  
Am Am  
Vain mouth, Sabbath breaking  
G G G  
Lack of honoring my mom and dad  
D D D  
Murder for fun and loving on the wrong one  
Am Am Am  
Stealing and lying and wanting what you got

**(Clap Twice)**
