**Em D Am Em**

He was born in a lowly stable  
No room was at the inn  
The angels sang, glory in the highest  
Peace on earth, good will towards men

**Rejoice, Rejoice, Rejoice, Rejoice**

I heard a voice crying in the desert  
Prepare the way for the Lord  
He's coming with the Holy Spirit  
And the choice is totally yours

**Rejoice, Rejoice, Rejoice, Rejoice**

For forty days he was tempted  
The devil tried his very best  
Didn't he know who he was messing  
with  
Don't put our Lord God to the test

**Rejoice, Rejoice, Rejoice, Rejoice**

He healed the sick, the blind and the  
lame could walk  
He even raised the dead  
Demons ran and begged for mercy  
With faith, thousands were fed

**Rejoice, Rejoice, Rejoice, Rejoice**

With our Father who art in heaven  
Jesus taught me how to pray  
Thank God my sins are forgiven  
Now I carry my cross everyday

**Rejoice, Rejoice, Rejoice, Rejoice**

He was pierced for my transgressions  
Nailed to the cross for me  
By his stripes I am made whole again  
I was blind but now I see

**Rejoice, Rejoice, Rejoice, Rejoice**

He was buried and 3 days He rose  
again  
The stone was rolled away  
He's in heaven but soon he'll be coming  
back  
Coming back for me one day  
He's coming back for me one day  
He's Coming back for me one day

**Rejoice, Rejoice, Rejoice, Rejoice**
