

Soul Train

February 25, 2011

By: Mike Berry

Capo 7th

I'm waiting on the soul train
D C D
Biding my time paying my dues
Em D
Seems like a slow train
D C D
And it's long overdue

C
The train is coming
Em
It's around the next bend
C
There's two lines awaiting
Em
Which one are you in

C
When the whistle blows
Em
Will you get onboard?
C
The ticket you need says
D
Jesus is Lord

Em D
On the soul train
C D
Can you hear the whistle blow?
Em D
Waiting on the soul train
C D
You wonder why, don't you know

Em
Jesus died
D
For you and me
C
He shed his blood
D
On Calvary

Em
They nailed him to
D
The cross that day
C
His blood ran out
D
And washed away

Em
My sin and shame
D
Were buried then
C
With my sweet lord
D
So I could win

Em
Eternal life
D
And Heaven to
C
He freely gives
D
To me and you

Em
But Satan wants to
D
Take your soul
C
Hide the truth
D
Don't you know?

Em
The gates of hell
D
Are open wide
C
Do you feel the flames?
D
You cannot hide

Em
Make Jesus Lord
D
Repent from sin
C
Make your life
D
An offering

Em
He's the king of kings
D
Lord of lords
C
He's coming back
D
So get on board

The soul train

Get on board (repeat)

The soul train
