

Em C  
Move out the way devil, let me be  
D Em  
The word of God says I've been set free  
Em C  
I know I struggle, sometimes I fall  
D Em  
His blood was shed for one and all

### **Chorus**

Em C  
The battles is over, the victory's won  
D Em  
So, pack your bags, your time has come  
Em C  
Jesus is Lord, and you know the score  
D Em  
Every knee will bow and that includes yours

Em C  
So I won't go left, I won't go right  
D Em  
I know there's trouble, but I see the light  
Em C  
There's a road head, its way is small  
D Em  
It's lined with blood, shed for one and all

Em C  
I take two steps forward and no steps back  
D Em  
I'm moving faster, it's not faith I lack

Em C  
The devils playing games, but I can see  
D Em  
The Son of God, dancing with me

### **Chorus**

Jesus is dances in my mind field
